

Thailand Economics Olympiad 2024 Press Release

Thailand Economics Olympiad (TEO)

1. TEO Overview

The Thailand Economics Olympiad (TEO) is an annual national competition for secondary school students. The top five contestants will represent Thailand at the International Economics Olympiad, which will be held ONLINE, Date and Time will be announced soon. We hope that competition in the TEO will motivate students to expand their knowledge of Economics.

1.1 National Selection Round

1.1.1 Date: 8, 15, 22 June 2025.

1.1.2 Venue: The selection exam is planned to take place in Bangkok. However, the venue and format (online or offline) will be determined by the TEO committee. An official announcement will be made by May 9, 2025

1.2 How to Register

1.2.1 This competition is open to Grade 9-12 students studying in Thailand (all nationalities) or Thai nationals studying abroad and born on or after 1 July 2005.

1.2.2 Registration Period: 3 March - 25 May 2025.

1.3 Test Format There will be three total rounds in the contest:

1.3.1 **Round 1:** Multiple-Choice Exam (June 8, 2025, 1:00–2:00 PM): The top approximately 30 highest-scoring participants will be invited to continue to Round 2.

1.3.2 **Round 2:** Short Answer Exam (June 15, 2025, 1:00-2:30 PM): The top approximately 15 participants with the highest combined scores from Rounds 1 and 2 will be invited to Round 3.

1.3.3 **Round 3:** Business Case Presentation (June 22, 2025, 12:00-5:00 PM): The top 5 highest-scoring participants will be selected to represent Thailand in the International Economics Olympiad 2025. Competitors will present their solutions to a given Business Case presentation.

International Economics Olympiad (IEO)

2. IEO Overview

The International Economics Olympiad (IEO) is an annual competition organized for students at the secondary school level. The event is intended to stimulate students' interest in Economics, Business, and Finance through creative problem-solving. The IEO competitions also support cordial relations between young adults of different nationalities, cooperation, and international understanding.

2.1 Sections of IEO competition

2.1.1 Financial Literacy

2.1.1.1 Online simulation for creating personal financial plans

2.1.2 Economics

2.1.2.1 Open questions and multiple-choice questions about economic theory and practice.

2.1.3 Business Case

2.1.3.1 Presentation of business case solutions before a jury of economics teachers and professors.

Both the Thailand Economics Olympiad and the International Economics Olympiad are conducted in English.

Please feel free to contact us at teolympiad@gmail.com with any queries. We hope to see you at the competition!
